EXCLUSION OF MEDICAL COVERAGE

- 1) Cost of artificial/external/prosthetic devices, appliances, supportive/assistive devices (e.g splint, brace, crutches, supportive wears, hearing aids, artificial aids, inpatient holter, etc).
- 2) Cost of dental treatment relating to restorative, preventive, aesthetics and cosmetic dental procedures (e.g. crowns, dentures, implant, bridges, orthodontic treatment, whitening, routine dental check-up etc).
- 3) Cost relating to pregnancy, pre & post-natal care, pre & post-menopausal therapy, abortion, contraceptive, infertility, impotence (including erectile dysfunction), new born care, travel-related immunisations/illnesses and/or any other treatment not meant for curative purposes of the medical problem.
- 4) All type of cost relating to the screening and treatment of HIV/AIDS and/or any sexually transmitted disease or infections (STD/STI).
- 5) Cost of treatment in relation to the injury sustained prior to joining the Bank or pre-existing illness/disease/congenital medical conditions prior to joining the Bank and/or any illness/injury/congenital medical condition which was not declared prior to joining the Bank.
- 6) Cost relating to injuries/illness/diseases sustained/self-inflicted as a result of participation in wrongful/dangerous/hazardous/high risk/illegal activities or sports which require a degree of skill and involves exposure to risk such as high speeds, heights, high level of physical exertion or other inherent dangers (e.g. mountaineering, race car driving, base/bungee jumping, parasailing, motorcycle racing, dangerous street activities, etc) and travel-related injuries by the staff concerned.
- 7) Cost of physiotherapy beyond a period of **1 month** for each pre and post operation/surgical procedures.

The physiotherapy should be for the rehabilitation/recovery of the primary injury diagnosed.

Other non-standard or optional cost of physiotherapy (e.g. dry needling treatment) is also excluded.
- 8) Cost relating to genetic/congenital disorder, complementary and alternative treatment and medicine.
- 9) Cost relating to tests not meant for curative/treatment/diagnosis of the medical condition relating to the admission to the hospital.
- 10) Cost relating to dietetic consultation and management, supplementation test, allergy test, nutritional products or health supplements/vitamins/artificial tears/patches (e.g. acustop, ketotop, etc) and/or any other items/substances not meant for curative purposes of the primary medical problem.
- 11) All type of genetic/DNA based tests or screenings and/or other tests/screening which are similar in nature.
- 12) Cost relating to circumcision due to religious reason or not meant for curative purposes of the medical problem.
- 13) Cost relating to elective procedures/treatments, including but not limited to weight management (e.g. bariatric surgery, obesity management, weight loss programmes, slimming therapies, appetite suppressants), cosmetic or aesthetic procedures, dermatological maintenance (e.g. skin care, shampoo for hair loss/thinning/dandruff, body wash, moisturiser, emulsion, cream) or other procedures/treatments which are similar in nature.
- 14) Cost of medication in excess of 2 months' supply unless with prior approval from the Bank.
- 15) Cost relating to Robotic Procedures unless with prior approval from Head Office (Compensation, Human Capital Management) before admission.
- 16) Cost of non-standard/non-conventional treatment employing methods which have not been medically proven effective for curative or is experimental or new to the medical field e.g. Radiofrequency Ablation (RFA)/Rhizolysis/Rhizotomy, Percutaneous Laser Disc Decompression (PLDD)/Facet Blocks/Facet Joint Injection/Medial Branch Block, Stem Cell Therapy, Biologics, or other procedures which are similar in nature.
- 17) If and when any form of national health service or other type of Government sponsored medical benefits are introduced and/or any newly introduced medical benefits are adequate, the Bank will be absolved from the responsibility of paying for the bills.
- 18) Miscellaneous charges inclusive of telecommunication, additional cafeteria or food and beverages services and other non-medical related items, items for personal user/comfort and not relating to patient's illness treatment/procedures.
- 19) Any charges/expenses incurred by a caregiver, whether is accompanied or otherwise (e.g. extra bed, meals, administration charges, etc).
